YEREMIA YOSIA

(+62) 81286717921 | yosiarobert@gmail.com | https://www.linkedin.com/in/yeremia-yosia/ | https://yeremia15.github.io/yeremiaPortofolio/

A highly skilled Information Technology professional with over 4 years of experience, specializing in Agile and Scrum-based project management. Currently serving as a Scrum Master at PT Pegadaian (Persero), with expertise in facilitating team communication, managing product backlogs, and ensuring the timely completion of sprints. Proven track record of improving team efficiency through effective collaboration and the implementation of best practices. Experienced in managing strategic projects across the financial, educational technology, and IT consulting sectors. Adept at interacting with stakeholders across departments to achieve agreed-upon project objectives. Passionate about innovation and continuously evolving within the dynamic field of technology.
